Marineland Whomps Up Cake To Celebrate Anniversary

With a huge birthday cake served underwater, the finny residents of Marineland of the Pacific will celebrate the Oceanarium's first birthday Saturday and Sunday, Aug. 27th and 28th.

Carrying the cake to the floor of the Oceanarium tanks, the divers will personally serve slices to the bat rays, turtles, sharks and sea bass and their other friends in the oceanic zoo. The cake, concocted by the Marineland crew, is made of silvery fish, pink shrimp, squid and seaweed, held together in a smooth cake batter of flour and water and agar.

Clowns on Tap

In addition to this tasty repast, the fish inside the tank and their friends looking through the windows from the dry side, will be entertained by aqua clowns. The expert divers becoming clowns for the occasion, will perform their antics among the marine animals.

Dry land clowns will circulate about the grounds amusing spectators and giving balloons to the youngsters.

For skin-diving enthusiasts there will be a display of diving equipment and underwater safety methods, sponsored by the Los Angeles County Department of Parks and Recreation.

Coinciding with the anniversary celebration is an art show under the auspices of the South Bay Community Arts Association. Oil and water colors by some of the finest artists of Southern California will be on display in the Oceanarium lounge and auditorium through Labor Day.

Nearly 1,000,000 visitors since its opening a year ago, Aug. 27, Marineland of the Pacific has had nearly a million visitors pass through its gates. Several thousand of these visitors were the uncounted children under 7 years of age, admitted without charge.

Progress made during the initial 12 months has included the construction of a seal stadium, where Captain Winston's trained sea lions perform daily, and a new salt water tropical fish display on the second level. Other late arrivals to the Oceanarium are pelicans from local waters, and South American Humboldt penguins from off the coast of Peru.

Ferris wheels twirl against the sky . . . children munch long streamers of pink and white cotton candy . . . and there are apples on a stick and prize competitions, to say nothing of the animals with their blue ribbon awards.

The Fair is part of summer . . . when crowds throng the old grounds on the far side of the railroad tracks and girls hold hands with their fellows and older people smile, and younger ones literally have a field day.

God smiles on fellowship such as this. And in His Church, he offers the greatest fellowship of all. Here men may join together in prayer and worship, giving thanks for blessings, finding consolation in sorrow, renewing their strength, reaffirming their happiness through faith.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake (3) For the sake of his community and nation. (4) For the good and material support. Plan to go to church regularly and read your Bible daily.
